

PARK REGULATIONS PLOPSAQUA DE PANNE & PLOPSAQUA HANNUT-LANDEN

Article 1 - General provisions

- ☞ The water park includes the wet area, the dry area and the car park, further referred to as the water park, unless a separate entry is made about a particular area.
- ☞ The regulations aim to promote safety, order, tranquillity and hygiene in the water park to ensure a pleasant visit for everyone. Everyone visiting or using the water park is expected to know and abide by the park regulations. The park regulations hang out at the entrance in the dry area of the water park. The complete regulations are also available at the reception desk of the water park and on the website. Every visitor who enters the water park (regardless of the type of ticket) unconditionally agrees to the park rules and must behave accordingly.
- ☞ The management has the right to prohibit access to the water park to any visitor who appears to pose a danger to the safety and health of those present (such as, but not limited to, alcohol intoxication, disorderly conduct, unbecoming and/or disruptive behaviour, etc.). Failure to comply with these regulations will result in a request to leave the water park. Under no circumstances will the ticket be refunded. In the event of repeated problems and/or totally unacceptable problems, access to the water park may be permanently denied. In case of refusal to voluntarily leave the park, the intervention of the police will be requested.
- ☞ The presence of a rescue service does not relieve visitors of their own responsibility, including towards third parties.
